

Who we are: The PFO is a nonprofit parent faculty origination whose membership includes parents, legal guardians, faculty and administration at Norwich Technical High School. We generally meet the 1st Monday of the month during the school year at 6:00 pm, in the Media Center.

What we do: The purpose of this organization is to encourage a closer association among parents, administrators, and faculty by providing face to face contact to learn and discuss what is happening at the school and to ask questions. Our goal is to enhance our student's education and extracurricular activities through PFO member's ideas, leadership and creativity. We host fundraisers to provide scholarships and we also provide funds for other worthy school programs if resources are available.

Why we need you: We want to improve Norwich Tech through your ideas, leadership and creativity. This is your opportunity to voice your concerns and meet other parents and faculty. We meet monthly to keep our members informed on what's happening at Norwich Tech. Let's work together for the kids who are our future! It's never too late to join and show your support! We look forward to new faces and new ideas!

To join: Fill out the form below, and return it in a sealed envelope to the Parent-Faculty Organization mailbox in the Main Office. There is a \$10 membership fee. The monies from the fees contribute towards the end of the year scholarships, help for students in any capacity that arises and much more. We truly need your support!!! We have many new students, bigger classes and many activities that need parents support.

Thank You
