

# Your School-Based Health Center....

UCFS at Norwich Tech provides medical, behavioral and preventative health services to all students at Norwich Technical High School in collaboration with your child's primary care provider.

## Hours of Operation

Open when students are in school!

### *Medical Hours*

Tuesday & Thursday 7:30am - 2:30pm

### *Behavioral Health Hours*

Tuesday & Thursday, 7:00am - 2:00pm

## Location

Norwich Tech

UCFS School-Based Health Center  
& Family Resource Center

## No student is denied services

Services provided at the UCFS SBHC will be billed to the identified insurance. Copays will be billed to the responsible party. If your child is uninsured, please call our Access to Care Program at 860-822-4798 for a free insurance eligibility assessment.

## Why enroll your child in the SBHC?

- High quality care provided by a licensed nurse practitioner and behavioral health professional trained in pediatric and adolescent care.
- Located on school grounds, SBHCs help students get back to the classroom faster and ready to learn.

We understand that communication with your child's primary care provider is key to keeping them healthy. UCFS will collaborate with your child's primary care provider about any care provided at the SBHC.

**Enrollment forms are available in the nurses office, on the schools website, and the UCFS website [UCFShealthcare.org](http://UCFShealthcare.org)**

**For any questions, please contact the UCFS SBHC at 860-822-4909.**
