*SUMMER READING 2020*

- 1. Students in grades 10-12 should read a trade-related article that discusses any aspect of your current trade.*
- 2. Incoming freshmen should read any trade related article (any trade that Norwich Tech offers) concentrating on safety in that particular trade.*
- 3. All students should read one book of their choosing. Please make sure it is at your reading grade level and school appropriate. (Think: Would Mrs. Malchman have this book in the Norwich Tech library?)*
- 4. Grading:*
  - Trades will take the grade for the article reading.*
  - English will take the grade for the book*
- 5. Each student will be expected to verbally participate in an article/book discussion at the beginning of the school year.*
